Dear Family & Friends:

Along with Gail's "hand made" Holiday Caramel Treats, we've also enclosed a copy of Kathy B's Heavenly Sweets "n" Treats Cook Book, as our special token of our love for Kathy.

Many years ago at Mrs. Prindable Caramel Apples, our head candy maker Renate, introduced us to her partner Kathy, and from that moment on, we knew we had been sent a special and wonderful friend for life.

When you read Kathy's story about her ongoing battle against the ravages of Cancer, which appears on the first page of her cook book, you will understand how brave she's been in her personal battle, and how strong she is on an every day basis, and also, how she continues along her most difficult journey, with a smile on her face, and love and gratitude in her heart. She's quite the woman.

We're sending her book to you as our way of helping to support Kathy and Renate, hoping that if you find it in your hearts to purchase a few of her books to "pass forward" to others, you too, would be supporting a couple of wonderful women who need some help. Kathy's web site information is also listed on the very first page of her book.

Wishing you and yours a most joyous Holiday Season and hoping that all of you have good health as you celebrate.

We love you,

GAIL & SHELLY
